Dear Member

One important activity at *DMS* has been providing of tuitions to very poor X Std. students in Village Alamadhi to pass their X std. exams. This is organized every Saturday from 9.30 am to 2 pm. *DMS* organizes skilled faculty to coach these children for the exams in Maths/English/Science/Social Science. Classes commence in May and continue up to next year March.

These Classes proved to be a great success. Enthused by the concept, *DMS* decided to try similar experiment in Bangalore. Hence for the last three years now, tuitions are being given to X Std. children students at Prakashnagar Higher Secondary School. This experiment proved an even greater success. The performance of the School was reported in the Press and particular mention was made of DIVINE MOTHER SOCIETY. The letter of appreciation from the Head Master of the service rendered by *DMS* is appended.

*DMS* is particularly happy to announce that a devotee at Bangalore has come forward to bear the expenses of this activity at Bangalore. She is none other than Renu Sridhar, who many of our Members may recall as daughter of Shri Venkateswaran of Hyderabad.

Our sincerest thanks to the family particularly because such Activity-based sponsorship is the need of the hour.

We request Members to call us up giving their email id or email us at [seva\\_dms@yahoo.co.in](mailto:seva_dms@yahoo.co.in). Having your email ids would enable us to pass information to you of our planned activities/announcements and to mail a soft copy of Satsanga.

Meanwhile the audited accounts of both *DMS* Trust and DIVINE MOTHER SOCIETY pertaining to the financial year ended 31st March 2007 are appended to this issue for your perusal. The reports contain names of donors contributing more than Rs.1000 during the year 2006-07.
