MANAVA SEVA MADHAVA SEVA

Are you a student who is brilliant? But poor?
DMS has been providing scholarships year after year.
Eighteen students got scholarships this year.

Anandraj S., pursues his Dental course (BDS) at Tamilnadu Medical College. Sponsor is **R. Sivadas (IIMA Alumnus)**. *Anandraj stood District II in XII std.*

Vijayalakshmi R. is studying EEE at Velammal Engineering College. Sponsor is **Ramani Ramakrishnan** (NASA scientist based in USA, and part of the IIT ENVIKAL group). *Vijayalakshmi stood School III in XII std.*

Manimegalai S. has been sponsored by Dr. Geetha Badrinath (DMS) to do her Engineering at Velammal Engineering College. She was District III in school.

Thaslimbanu S. is studying in the 11th standard at Pammadhukulam Govt. Higher Sec. School. **Mr. Raju Rangachar**, Director of Rawmet Commodities P. Ltd. has sponsored her education. *Thaslimbanu scored 'centum' in Science.*

A big THANK YOU to all sponsors, please continue to support us!

KAMAKSHI BABA HOSPITAL – PLANS

-a mind's eye picture of what we intend to start

DMS is pleased to announce plans to construct a hospital at Alamadhi.

The poor at Alamadhi do not have access to even basic medical care, at prices that they can afford. Our experience of over 20 years with our Medical centre has convinced us that there is a real need in Alamadhi to have a hospital. The need is accentuated because we are not able to do justice with an OPD facility to patients. These persons do not have support at home for their continued treatment or for post-surgery care etc. A hospital with 24X7 facilities will enable this care.

The proposal is to set up a 20-bed hospital at Alamadhi equipped to deal with the kind of illnesses that are endemic in the area and to provide appropriate level of care.

At least 10 beds will be for the poor and not more than 10 beds will be operated on Commercial basis.

Phase I is planned to be only basic services:

- Pediatrics based on International standards for rural set up
- Obstetrics with qualified Obstetricians
- Labour room plus theatre including new born nursery
- General medicines – adult.
- Facilities for Testing/Screening:

Lab., X-ray, ECG, Ultrasound.

Laboratories are of three types:

- ✓ Bio chemistry
- ✓ Clinical Pathology
- ✓ Pure pathology

We plan to have only Bio chemistry and Clinical Pathology

As further facilities are installed, we propose to introduce Specialities in Phase II to cover the following areas for diagnosis and treatment:

- NICU: New born Intensive Care Unit
- ENT
- Dermatology
- Urology
- Gastroenterology

It is proposed that at least 10 beds will be for the very poor and the services will be free. For these patients, there will be no Consultation fees. Medicines and test will be charged. There will also be a token Room rent per bed intended to cover laundry, room upkeep, water, power, administrative and establishment costs.

Floor plans have been prepared and are being discussed. Once this is finalised the structural plans will be prepared.

Kamakshi Baba Hospital is yours

Being a core activity in fulfilment of Manava Seva Madhava Seva, we seek your participation. The proposal we have is outlined below:

- ❖ Members can 'own the hospital through owning a bed'.
- ❖ Each 'bed' will involve a donation of Rs. 6 lakhs (one-time).
- ❖ A 'bed' sponsorship can be shared among family members; if four siblings join for the sponsorship, the average sponsorship would work out to Rs. 1.5 lakhs per person.
- ❖ The sponsorship amount need not be paid immediately; the detailed schedule could be discussed mutually.
- ❖ Members would be entitled to the benefit of Sec. 80-G under the Income tax Act.
- ❖ The 'bed' could be named suitably such as your family name etc.

The Hospital Project in detail has been carried on our web site. It contains the background, wards planned and Project cost.

Scholarships to deserving students

On 7th Nov.,2015 distribution of scholarships was done at the Alamadhi Centre. Mr. Ramakrishnan, director of Pankajam Hospitals was the Chief Guest.

Eighteen students were awarded scholarships for an amount of Rs. 78500/-. The details are carried below. As can be seen the stated family incomes are less than even Rs. 10,000/- per month.

S. No.	Student	Father	Mother	Monthly income of family (Rs.)	Now doing	Scholarship (Rs.)	Marks in 10th	Marks in 12th	School Rank	District Rank	Centum
1	Anandaraj S	Casual Labour	Housewife	5000	BDS	10000	489 on 500	1157 on 1200	1st	2nd	
2	Ramkumar A	Casual Labour	Housewife	4000	EEE	10000	488 on 500	1153 on 1200	2nd	3rd	
3	Vijayalakshmi R	Casual Labour	Housewife	3000	EEE	10000	480 on 500	1118 on 1200	3rd
