**‘World Breast Feeding Week Celebration organized by *DMS*
on Saturday, 4th August 2012.’**

Dr.Rajam and Dr.Arthi Mani (second and third from left)
addressed the mothers and students on advantages of Breast Feeding

Soup preparation with locally available ingredients by *DMS* nurse

Oratorical contest on importance of Breast Feeding

Students enacted skits to bring out significance of Breast Feeding

Annadaanam in progress for mothers and children

**YOUR DEVOTION PLUS GURU'S KNOWLEDGE IS IMPORTANT. ANY KNOWLEDGE
WITHOUT DEVOTION IS USELESS.**

- KAMAKSHI BABA

This incident has been narrated by Shri Mukund mama, elder brother of Guruji. It happened when they were together in Kazipet (Andhra Pradesh). At that time Guruji was posted at Kazipet when He was in employment with M/s. Best & Crompton.

“Once when Shri Kamakshi Baba was working at Kazipet, I had gone there to stay for some months with Him. During the course of that stay, our mother who was staying at Chennai fell ill. On getting the information we decided to travel to Madras to see her.

We were to take the evening train. The train arrives at Kazipet at around 6.30 pm and departs at 6.45 pm after a 15 minute halt.

The understanding we had was that I would leave the Kazipet residence at 5.30 PM and come to the station. Guruji would come directly from office to the station. As planned I started from home at around 5.30 pm and reached the station at 6.00 pm and waited for Guruji.

My wait became anxious when at 6.00 pm He did not turn up. It increased when 6.00 pm became 6.15 pm, 6.15 became 6.30 pm, and the anxiety slowly turned into anger as at 6.30 pm the train slowly chugged into the station. My mind started thinking of how Guruji was never punctual. I was very very angry and was not sure what to do if He did not turn up.

At 6.45 pm, the signal was given for the departure of the train. The whistle from the guard finally settled the matter that I could not go to Chennai. The train slowly started to move. I was furious with Guruji.

As the last compartment of the train moved off the platform I spotted Guruji entering the platform. To my consternation, He was laughing.

I told Him, “Come on Goverdhan, let us go back. See the train has already left”.

Unperturbed, He stood on the edge of the platform looking at the back of the last compartment moving away from us and raised His hand.

It was unbelievable – I could not imagine what happened. The train started to move backwards slowly and came to a halt at the platform in front of us.

It seems there was a failure of the sign alerting electronic equipment. The authorities had decided to call back the train to the Kazipet station and detain it there until the problem was set right. Due to this the train's departure was delayed by 45 minutes and the train left at 7.30 pm, after all the electrical issues were set right.

Apparently Guruji knew of this happening. He knew that His coming late would not affect their plans of travelling by the train to Chennai.”

We have several such instances of Guruji where not only He knows the events in advance before they unfold, but also controls events.

In this issue of Satsanga, we enclose the hard copies of the Annual reports of Divine Mother Society and DMS Trust. The Income & Expenditure Account and Balance sheet for the financial year 2011-12 are attached.

The list of donors in 2011-12 over Rs.2000/- is provided at the end of Satsanga. We thank them for the support. List of Life members of Divine Mother Society is also provided at the end of Satsanga.

The expenditure which is very high is shown under DMS Trust as Building Maintenance:

	Year 2011-12 (Rs/000s)	Year 2010-11 (Rs/000s)
Building Maintenance	298	538
Total Expenditure Non- Charity	1494	1592
Building Maintenance as % of Total	19.94%	33.79%

The expense relates to construction of a single brick 5ft compound wall across the entire stretch of DMS land, and land leveling. With the appreciation of land prices, there has been a mounting concern in this part of the city that boundaries need to be defined and land protected.

In our case we have additionally felt the need to have more safety from snakes. During monsoon there is considerable water logging. On Saturdays the centre has over 100 children for tuitions and annadaanam. Building compound wall will reduce snake infestation.

While the work of constructing compound wall is over, the leveling of land remains to be completed. During times of heavy rains, there is still some water logging. We hope to solve this problem by 2013-14.

Your donations make a lot of difference to the work we do. DMS urges members to send in donations as the funds position needs to be improved considerably.

MANAVA SEVA NEWS FROM ALAMADHI CENTRE

Report from Dr.Geetha Badrinath on World Breast Feeding Week Celebration

**From the
Doctors' Desk**

Dr.Geetha Badrinath addressing the mothers and children

This year, world breast feeding week was celebrated on August 4th 2012 at our centre.

The chief guests for the occasion were Dr.N.Rajam MD, DCH, a senior pediatrician from the city and Dr.Arthi S. Mani, pediatrician from Seattle U.S.A who was on a visit to India. Forty mothers and forty children under 2 years of age participated in the function. Besides these forty children, fifty children under five years of age also took part in the celebration.

Exclusively mother fed babies (about forty) were examined by the guest doctors and 3 best babies were chosen from among them based on certain criteria. These criteria were exclusive breast feeding, weight, time of introduction of solids, spacing of birth, family planning and immunization.

Besides these, oratorical contests and painting contests for school children to highlight the importance of breast feeding were held. Best speakers and best posters were awarded prizes.

The students of Pammathukulam and Padiyanallur schools enacted skits to stress upon the significance of breast feeding.

Our guests Dr.Rajam and Dr.Arthi Mani addressed the mothers and students on the advantages of breast feeding. All the participants were presented cups and spoons by Dr.Arthi. There was also demo given by our nurse Poongothai on the preparation of nutritious soups and dishes from cheap, locally available products like drumstick leaves, ragi, papaya fruits etc.

Mementos were presented to the chief guests. All the participants, mothers, children, students and guests were served lunch as part of annadaanam.
