MANAVA SEVA MADHAVA SEVA

Eye Camp : 31st Jan. 2015

Ms. Ashwini studying +1 suffers retinal detachment in left eye of long standing duration.

Gurupriya Vision Research Foundation and Radhatri Netrlaya conducted the camp.

Free Cataract surgery will be conducted for twenty six persons if blood tests / ECG done indicate they are fit for surgery.

One hundred and twenty two persons benefited by the camp.

It was not unusual for Mukund mama who was an illustration of meticulous planning and discipline, to get irritated with Guruji.

“The bus leaves at 4.30 am and it is now already 4. We need to take the cash with us. It is high time we started from the house. But now we will have no choice but to cancel the visit to Chennai” Mukund mama said in a tone of frustration.

“Where is the box?” Mukund mama asked.

Guruji pointed to a rather small-sized steel trunk opposite to them. The box was securely locked. Mukund mama kept looking at his wristwatch, disappointment writ large on his face.

But what happened next would have made him pinch himself to see if he was dreaming.

“Mukunda, let us start. We will take the cash and leave. Get up.” Guruji’s response was bewildering.

Mukund mama watched, first with curiosity and then with disbelief. Guruji went over to the box. Putting His right hand in His pocket, He took out a handkerchief. He placed the handkerchief over the box.

Breathing heavily, He concentrated on the box. Then turning to Mukund mama He lifted His hand showing the kerchief. The kerchief was full of currency notes.

“Here I brought the cash out. Count it.”

An incredulous Mukund mama took the notes and counted. It was Rs. 3000.

“The box is now empty” Guruji explained.

Mukund mama examined the box to see if it was truly locked and whether the lock had been broken open.

“No, no” Guruji assured him. “The box is as it is. I merely materialized the notes from inside the box into my hands.”

Mukund mama packed the notes into a cloth bag and the duo left for Chennai.

In those days Mukund mama had not yet understood the ‘spiritual giant’ that Guruji was. A particular alliance looked like getting frozen for their sister. When they were at Kanchipuram, Guruji asked Mukund mama to chant for a period of forty days, “OM Sri Peethe Sura Poojithe..” which we all chant in sequence before the Guru shlokam. Mukund mama chanted that. The alliance got fixed.

Materialising, ie: the power to make an article appear from nowhere or disappear, is a siddhi that Guruji had and there are several occasions when He has done that. What Guruji used to say is that you cannot create an article, at most you can transfer it from one location to another. For example, if Guruji had to get hold of these currency notes totaling to Rs. 3000, He cannot generate these notes de novo and bring new currency notes into existence. He can at best move the notes from one place to another so that to an on-looker the notes may suddenly appear or disappear.

The list of donors who have responded to our appeal is given below (alphabetically, up to 12th Feb.'15) and we thank them heartily.

S. No.	Name	Amount	S. No.	Name	Amount
1	Abhinav Suresh (Mr.)	10000	19	Raghavan R.P. (Mr.)	10001
2	Anagha Suresh (Ms.)	50000	20	Raghavan Pillai N. (Mr.)	5000
3	Bhavani Varadarajan (Ms.)	2500	21	Raghavan Rangarajan (Dr.)	20000
4	Brindha Ravi Subramaniam (Ms.)	5000	22	Rajeswari M.V. (Ms.)	10000
5	Devika Anand (Ms.)	20000	23	Rama Krishnan T.V. (Mr.)	20000
6	Gurupriya Ramanathan (Ms.)	35000	24	Ramanathan S. (Mr.)	60000
7	Harikrishnan J. (Mr.)	19000	25	Ramarathnam K. (Mr.)	10000
8	Lakshmikanth K. (Mr.)	10000	26	Ramesh A. (Mr.)	75000
9	Malathi Balasubramanian (Ms.)	25725	27	Ravi Subramaniam V. (Mr.)	5000
10	Mani K.V. (Mr.)	25000	28	Rondla Shylaja (Ms.)	10116
11	Meenakshi V.P. (Ms.)	10000	29	Sanjay Kancherla (Mr.)	5000
12	Murthy M.S.R. (Mr.)	55000	30	Sashikala Viswanathan (Ms.)	53898
13	Narayanan K. (Mr.)	5000	31	Srinivasan R. (Bangalore) (Mr.)	10000
14	Neeraja E.S. (Ms.)	20000	32	Subhasri Madaka (Ms.)	10000
15	Prabhakar Reddy A. (Mr.)	35000	33	Sukanya R.Alse (Ms.)	10000
16	Pramila Devi Gogineni (Ms.)	30019	34	Sunder Raj S. (Mr.)	10000
17	Premalatha Ramanathan (Ms.)	35000	35	Vijaya Nathan (Ms.)	12000
18	Prem Kumar S. (Mr.)	40000			

Commitments:

Mr. T.S.Srinivasan for purchase of Nebuliser for our Medical Centre, and Ms. Geetha Premkumar wishes to donate Rs. 1 lakh in the name of late Sridhar Nagarajan, her brother.

Holy sindoor from the Sankat Vimochan temple of Lord Hanuman at Varanasi is enclosed.

The Feb. 19th pamphlet for our annual spiritual congregation is also enclosed. Three employees of *DMS* complete 20 years of working with us and we would be felicitating them on this day.

Please donate generously to support the activities of *DMS*.

Mata Kamakshi

Report on the Eye Camp conducted on 31st January 2015, at our DMS Centre, Alamadhi

An eye camp was conducted at our centre on 31.1.15, by Gurupriya Vision Research Foundation and Radhatri Netralaya. An optometrician and optician deputed by them conducted the relevant tests.

One hundred and twenty two patients (Male 35 and Female 87) attended the camp.

Twenty six patients had cataract and were advised surgery with intraocular lens replacement. These patients will undergo blood tests and ECG. If found fit for surgery, free cataract surgery will be conducted on the affected eyes. Eleven patients had refractory errors (both near and distant vision). Spectacles were ordered for them and these will be given to them when ready. Reading glasses were given to twelve patients. These were patients who had only near vision difficulty. Five patients had retinal problem and one child had Squint which requires correction.

A 'plus 1' student (Ms. Ashwini), who had progressive loss of vision from the age of 9, was taken by our nurse to their hospital in T.Nagar, for further evaluation. She was found to have retinal detachment in the left eye of long standing duration, for which unfortunately no treatment can be done now. The right eye too has retinal detachment, for which follow up every year will be required. Further, she has squint in the same eye, for which surgery has to be done, after she becomes 20 years old.

Annadhaanam was done for all the patients at the conclusion of the camp.
